Imagine a world where every office decision makes a positive impact on both your budget and the environment. By switching to our Earth-Friendly, 100% Guaranteed Ink and Laser Toner Cartridges, you're not just saving money—you're contributing to a healthier planet. The Earth Friendly Toner Guide highlights how you can print smarter, save more, and help protect Mother Earth for generations to come.

# 01 SAVE MONEY WITHOUT COMPROMISING QUALITY

## • COST-EFFECTIVE PRINTING SOLUTIONS

- Our Eco-friendly cartridges are affordable and reliable, providing the same high-quality prints as original manufacturer cartridges at a fraction of the price.
- Save **up to 60%** on every cartridge you purchase compared to Original Manufacturers Cartridges
- Reduce operational costs without sacrificing performance.

## • COMPATIBILITY

- Designed with precision, our cartridges are engineered to work seamlessly with your copier, fax, laser or ink jet printer from these manufacturers:

## • RISK-FREE PRINTING

- With our **100% satisfaction guarantee**, you can trust our cartridges to perform without any issues—or your money back. Additionally, they **DO NOT VOID THE MANUFACTURERS WARRANTY ON YOUR PRINTER.**

# 02 PROTECT THE PLANET, ONE CARTRIDGE AT A TIME

## • REDUCE WASTE

- Over **375 million cartridges** end up in landfills annually, taking hundreds of years to decompose. By choosing our Earth Friendly Toner Cartridges you're helping to reduce the toxic out gassing of cartridges while the cartridges are decomposing in the landfills. Additionally, you are conserving natural resources.

## • LOWER CARBON FOOTPRINT

- Producing new cartridges consumes energy and materials. Our Eco-friendly cartridges are made from recycled materials, cutting carbon emissions significantly.
- For every cartridge you use, you're helping save **2.5 pounds of plastic and metal** from waste streams.

## • SUSTAINABILITY YOU CAN TRUST

- Our cartridges meet or beat OEM manufacturing practices

## 03 EASY TRANSITION FOR YOUR OFFICE

- **HASSLE-FREE COMPATIBILITY**

- Our cartridges are designed to fit all major copier, fax, laser or ink jet printers including the manufacturers shown below. Switching is effortless!

## 06 SUCCESS STORIES

Many schools, organizations, and universities buy re-manufactured toner and ink cartridges to save money and support sustainability.

### EXAMPLES OF SUCCESS STORIES:

- **Los Angeles Unified School District (LAUSD):**
  - LAUSD implemented green procurement policies, including the use of re-manufactured toner cartridges, to reduce costs and environmental impact. The district saved significant funds while diverting waste from landfills.
- **University of California (UC) System:**
  - Several UC campuses have committed to using re-manufactured ink and toner cartridges as part of their broader sustainability programs. This switch aligns with their goals to achieve zero waste and reduce greenhouse gas emissions.
- **Public School Districts in Colorado:**
  - Colorado school districts have reported cost savings by purchasing re-manufactured cartridges through state contracts. These cartridges align with their efforts to integrate green practices.
- **Nonprofit Organizations (e.g., Habitat for Humanity):**
  1. Many nonprofits prioritize re-manufactured toner to reduce overhead costs and dedicate more resources to their missions while demonstrating environmental responsibility.
  2. **Small and Medium-Sized Businesses:**
    - Local and regional offices of environmental NGOs, such as the Sierra Club, often choose re-manufactured cartridges to lead by example in adopting Eco-friendly solutions.

# 07 WHAT OTHERS ARE SAYING

## SCHOOL TESTIMONIAL:

*"Switching to re-manufactured cartridges has been a game-changer for our school district. We've reduced printing costs, allowing us to allocate more resources to student programs. It's also rewarding to know that our decision helps protect the environment by keeping tons of plastic and metal out of landfills. Our teachers and staff are proud to be part of this green initiative."*

**– SARAH M., DISTRICT ADMINISTRATOR, GREENFIELD PUBLIC SCHOOLS**

## UNIVERSITY TESTIMONIAL:

*"As a university committed to sustainability, using Eco-friendly toner cartridges aligns perfectly with our values. Not only do they deliver the same print quality as original brands, but they've also helped us cut our printing budget significantly. Our students appreciate that we're reducing waste while maintaining high standards."*

**– DR. ALEX R., DIRECTOR OF SUSTAINABILITY, ECOTECH UNIVERSITY**

## SMALL BUSINESS TESTIMONIAL:

*"We started using re-manufactured cartridges to save money, but we've been thrilled with the quality and reliability. It's great to know that we're making an Eco-friendly choice without sacrificing performance. Our customers notice and appreciate our efforts to go green, too!"*

**– MARTHA T., OFFICE MANAGER, GREEN LEAF MARKETING**

## NONPROFIT ORGANIZATION TESTIMONIAL:

*"Every dollar we save goes back to our mission. By using Eco-friendly toner cartridges, we've saved thousands of dollars while reducing our carbon footprint. It's a win-win for our organization and the environment!"*

**- JAMES K., OPERATIONS DIRECTOR, HABITAT FOR HOPE**

## CORPORATE OFFICE TESTIMONIAL:

*"Our company switched to re-manufactured cartridges two years ago, and we've never looked back. They've performed just as well as the originals, and the environmental impact has been significant. It's one of the easiest and most effective changes we've made toward sustainability."*

**- LINDA C., SUSTAINABILITY MANAGER, BRIGHTTECH SOLUTIONS**

## TEACHER TESTIMONIAL:

*"I love that our school uses Eco-friendly ink cartridges. As someone who cares about the environment, it's reassuring to know that my classroom printing is making a difference. The quality is fantastic, and the savings help fund essential supplies for our students."*
